By completing the application for this account, you allow the Taft Independent School District (TISD) to make your student's school information such as attendance, grade information, schedule, and demographic information available to you by means of the Internet on a website that is secure and accessible by a login and password. Only you will be able to see your students' digital records with your unique login and password. Other parent/guardians will be provided their own unique login and password to access the digital student information. Therefore, your login and password should not be shared with anyone.

Taft ISD will not make your login or password publicly available. The digital records for your student posted on the website can only be accessed by the parent/guardians who currently have access to the student's written school records and have applied for a valid login and password. You may cancel this service at any time by contacting the campus administrator in writing. Older students will eventually have access to their records.

Be aware, however, that disclosure by Taft ISD including the contents of this website, may occur in the event such information is required by a court subpoena order, a decision or directive from the Attorney General's office, or other reason required by law.

You understand and agree that Taft ISD is not responsible for unauthorized Internet access to your student's digital records by persons who do not have your consent. By signing the signature line below, you confirm that you understand and accept the guidelines and conditions for access to your student's digital records and you waive any claims or causes of action that you may have against Taft ISD by reason of such unauthorized access.
